

**Classics AAU Basketball
Friday Night Hoops Clinic Registration Form 2017-18**

Friday Night Hoops is a non-team, open session and is ideal for younger athletes including 1st-5th graders and for other players who may not make or be able to commit to one of the Classics AAU club teams and wish to work on improving their fundamentals. These clinics are designed to improve your skill level, build a foundation and keep you in the basketball mix. We will be focusing in on dribbling, passing, shooting and defensive techniques along with team drills and team play. It is very important to remember the more you practice, the better player you become. You should expect to improve your fundamental skills and learn team-work skills. We hope to be able to form competitive teams out of the participants or refer them to our current AAU Club teams and coaches to further growth and development.
